INSTRUCTIONS

STEP 1:

Lightly blend Hibiscus Burst Ink onto a panel of white cardstock using a blending brush and a stencil from the Open Your Heart Stencil Set. Trim the panel down slightly and adhere it to an A2 panel of Hibiscus Burst cardstock.

STEP 2:

Die-cut vellum using the Psalm Reflections: December set. Adhere it to the background panel, adding adhesive where it will be hidden by the balloons. Trim each side of the vellum flush with the card panel.

STEP 3:

Stamp the hearts, sentiment, ribbons and bows from the With All My Heart Stamp Set onto white cardstock using Hibiscus Burst, Raspberry Fizz, New Leaf and True Black inks. Use the With All My Heart Coordinating Dies to cut out the images. Die-cut the sentiment using the smallest die in the Love to Layer: Hearts Die Set. Die-cut additional hearts from white cardstock using the small and medium hearts in the Love to Layer: Hearts Die Set. Adhere the floral hearts to the white hearts with foam tape, then arrange and adhere the die-cuts with liquid glue.

STEP 4:

Stamp the small hearts from the With All My Heart Stamp Set with Hibiscus Burst and Raspberry Fizz inks. Cut them out with the coordinating dies and pop the small heart up onto the dotted outline heart with foam tape, then adhere it with liquid glue. Pop the two small hearts up with foam adhesive.

INSTRUCTIONS

STEP 5:

Die-cut the bow from Raspberry Fizz cardstock with a die from the September Surprise Box and adhere it with liquid glue.

STEP 6:

To finish, add Diamond Stickles to the small hearts for a bit of sparkle.
