PAPER

Stamper's Select White Cardstock
Perfect Match Hawaiian Shores Cardstock
Perfect Match Summer Sunrise Cardstock
Perfect Match Simply Chartreuse Cardstock
Perfect Match Ripe Avocado Cardstock

INK

Prairie Grass
Olive Twist
Simply Chartreuse
Summer Sunrise
Hawaiian Shores
True Black

OTHER

Incredible Views Stencil Collection
Versamark Ink
Gold Embossing Powder
True Black twine

INSTRUCTIONS

STEP 1:

Stencil the Incredible Views Stencils onto a panel of white cardstock using Prairie Grass, Simply Chartreuse, Olive Twist, Summer Sunrise and Hawaiian Shore inks.

STEP 2:

Stamp the compass, from the Adventure Away Stamp Set, onto the background three times with Versamark ink and emboss with gold embossing powder.

STEP 3:

Trim the background slightly and adhere to an A2 panel of Hawaiian Shores cardstock with liquid glue.

STEP 4:

Die-cut the tag from the Going Places Die Set from white cardstock. Stencil the clouds from the Incredible Views Stencil Collection onto the tag with Hawaiian Shores ink. Stamp the ground from the Going Places Stamp Set with Simply Chartreuse and the trees from Adventure Away with Prairie Grass and Olive Twist inks. The sun, also from the Adventure Away Stamp Set, was stamped with Summer Sunrise ink.

STEP 5:

Stamp "Adventure Awaits" and "destination", from the Adventure Away Stamp Set, with True Black ink and the arrow from Going Places with Summer Sunrise onto the tag.

INSTRUCTIONS

STEP 6:

Die-cut two more tags from Simply Chartreuse and Ripe Avocado cardstock using die from the Going Places Die Set. Gold heat emboss images and sentiments onto the tags. Adhere topper, which was die-cut from Summer Sunrise cardstock, to the top of stamped tag.

STEP 7:

Add twine through the main tag and adhere all three tags with liquid glue. At this point, I had wished that I'd added black splatter to the background. Instead of taking the chance of messing up my card, I used the end of a couple of paint brushes dipped into a True Black ink pad to "dot" on the splatter.

STEP 8:

Gold heat emboss the sentiment, from the Going Places Stamp Set, onto white cardstock and cut out with the Coordinating Die. Die-cut three more layers from heavyweight white cardstock, adhere behind the embossed one, then adhere to the front of the card.
