INSTRUCTIONS

STEP 1:

Using the bunny stencil, add Pale Peony ink using a blender brush. Before removing the stencil, add a little bit of darker ink splatter to the bunnies for detail.

STEP 2:

Continue stenciling with the additional designs.

STEP 3:

Add details using a white gel pen, and a green colored pencil.

STEP 4:

Die cut all of the pieces you will need for the carrots. Add some shading with ink and glue them together.

STEP 5:

Die cut the middle and largest sized dies from the Reflections: February die set: one from white card stock, and one from Summer Sunrise Cardstock. Use the Nifty Plaid Background stamp with Orange Zest ink on the larger die cut. Add a strip of polka-dot paper to the middle and then layer the diecuts!

STEP 6:

Add the pink bow and the sentiment! You're all done!
