INSTRUCTIONS

STEP 1:

Run a block of Ocean Tides cardstock through your die cut machine and emboss with the Cover Plate: Ornate die. Stamp trees and snow with Fresh Snow ink and heat emboss using white embossing powder to set in place.

STEP 2:

Create a card base from white cardstock. Cut Ocean Tides cardstock to fit just inside borders of card base. Adhere to center of card.

STEP 3:

Cut Love to Layer: Ovals from Sheer Basics Vellum and adhere to center of card, slightly above center line.

STEP 4:

Die cut Snowflake Banners from Kraft cardstock. Measure to fit across front of card, trim off excess. Stamp with sentiment on the right and adhere to card front. Die cut Into the Blooms: Dahlia leaves form silver glittered cardstock and adhere to the left of sentiment.

STEP 5:

Die cut Into the Blooms: Cactus blossoms from white cardstock and the outline from silver metallic cardstock. Layer blossoms together and adhere to leaf bundle. Embellish the centers with a gold adhesive gem.
